### Target Your Discount Fundraiser

# 50% Profit

Card is valid until 12/31/15

We are selling discount cards for use at local restaurants.

Each card sold earns you \$10 towards your fundraising fee.

Price for discount card and key tab is \$20.

#### How it Works

Each discount card is printed with discounts for merchants in a specific area. These discounts include free items w/purchase, Buy 1 Get 1, 15%, 10% and more.

Choose the area you want and you also get a key chain tab card which gives you access to all the Target Your Discount Participants. This gives you discounts at over 600 participating merchants.

Visit [www.targetyourdiscount.com](http://www.targetyourdiscount.com) to view all the participating merchants and their discount. There is even an app you can download.
